This is the Last Week of the

August Fur Sales

Final Opportunity for 25% Discount

Furs are the gems of the world of fashion; the fundamental desire on the part of women—almost all women—to possess furs is unquestioned; based on the feminine longing for beauty, for comfort and for the distinction and becomingness which handsome furs give. Quality, comfort and beauty marks each fur and fur garment shown here—prices will change little if any, later in the fall—they are more likely to go higher as lower; so reap the benefits of the 25% discount now, is wise economy for every woman. There are only a few days more to do this, tomorrow would be an appropriate time, for later on our assortment will not be as complete as it is now and it will be difficult to replace many of the qualities.

A few of the better Furs listed below give a hint toward the moderate prices, with 25% discount.
